

The logo for 'rainbowR' is displayed in a stylized, multi-colored font. The letters are lowercase except for the final 'R', which is uppercase. Each letter is composed of multiple overlapping colors from the rainbow spectrum. The 'r' is red and orange, 'a' is pink and blue, 'i' is green and blue, 'n' is red and pink, 'b' is orange and green, 'o' is blue and red, 'o' is red and green, 'w' is green and pink, and 'R' is blue. The background of the slide features a vibrant, abstract pattern of diagonal stripes in various colors including red, orange, yellow, green, blue, and pink.

rainbowR

Ella Kaye & Hanne Oberman

useR! 2024, Salzburg

Our mission is to **support**,  
**promote** and **connect** **LGBTQ+**  
people in the **R community** and  
to spread awareness of LGBTQ+  
issues through **data-driven**  
**activism**

We **exist**

(Some of) what we **do**

How to **get involved**

# Zoom meet-up

Weds July 24th, 4pm UTC

- connect with community members
- rainbowR updates
- R chat and informal 'show and tell'

More info and sign-up details at  
[rainbowr.org/meetups](https://rainbowr.org/meetups)

Encourage deeper **connections**  
with **randomly** assigned **buddy**
